

Keystage 2 Performance 2019

Key Stage 2 Children at the end of Year 6 are assessed using Standard Assessment Tasks (SATs) for Reading, Grammar and Maths, and teacher assessments for Writing. The results are used to compare the performance of children nationally. At the end of Key Stage 2, the average pupil in year 6 is expected to attain expected standard. Progress from KS1 to KS2 is measured, where a cohort makes average progress scored 0, greater progress as a positive number, and less than average progress as a negative number.
