

YEAR 4 NEWSLETTER

This term

Our theme this term is Daedalus, Democracy, and Dictionaries (Ancient Greece). We will be focusing on the lifestyle of the Ancient Greeks. During science lessons, we will be looking at how plants and animals are suited to their environments. We will be working on story writing and creating non-chronological reports in English. In Maths, we will continue to look at multiplication and division and the area of shapes. We have also organised an exciting Ancient Greece themed day on Wednesday 9th February,
