

2L Autumn 2 Class Newsletter

What an amazing first half term we have had! We are so pleased with how well all the children have transitioned from their year 1 classes to super year 2s! This newsletter is to share some of the wonderful things that have happened in our class since September.

School council

We held a democratic vote in the classroom with everyone having a vote. Congratulations CJ on being voted on to the school council. The school council went on a trip to see the Houses of Parliament in London.

Zoolab

We were very lucky to have Zoolab come in and share their animals with us. Animal-handler Chris taught us all about their natural habitats and their diets.

Classroom visitors

We have been lucky enough to hatch out some chicks and watch them grow over the last two weeks. This was a great addition to our science topic on living things. The chicks were rehomed by staff members where they will be very well looked after for the duration of their lives.

From Goldilocks and the three bears, to investigating solid structures and finding out about the plague - learning has been fun!!

PE days will remain Tuesdays
and Thursdays

Events to look forward to:

- 6th November Remembrance poppies will be available to purchase from the school gate
- 10th November - 14th November Anti Bullying week
- 13th November 'RWI Set 2 & 3 sounds' Phonic Screening Check Resit parents only meeting from 3:30pm
